DG Rtn. Rohinath along with club members at Koodanahalli where we donated water purifier worth Rs. 25,000

My fellow Rotarians, you have this power. This power to use language to share your ideas, to touch hearts, and to bring about change in the world. As Rotarians, we have the power to speak and share, to explain and to educate, to inspire and to influence. It is our responsibility to share our talents and ideas and to find meaning in other people's messages. May we use our skills to provide service to others less fortunate and help them to be self-sustaining. May we continue to grow as Rotarians so that we stand in our community as a symbol of those willing to freely put service above self and make this, our community, and the world a better place to live.

4-Way Test

Of the things we think, say or do,

1. Is it the Truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?
