OCTOBER, 2018 EDITION

FELICITATION OF TRIBAL STUDENTS - BANDIPUR

Project of the month is the one where we appreciated Tribal Children and their parents for their progress in education and society.

Culture and Education goes side by side. It is not really easy for a person to make his child educated when he doesn't have any idea about that and no social support or encouragement. The biggest challenge was to bring out the children from the tribal community for the wonderful exposé of education and social growth.

We distributed appreciation certificates, School bags, Tiffin box and Pens for the tribal children and Shawl and Saris for their parents for encouraging their Children to pursue studies. We found candidates from perusing SSLC to PHD.

President Rtn.AV Sridhar spoke about Rotary's contribution and Past AG Ravindra Bhat motivated the children for ongoing achievements and for its continuation.

Chief Guest. ACF Ravikumar, FRC member Smt. Ratnamma, Coordinator Sri. Doddayiah spoke about the challenges of getting students from the Tribal community and convincing them to participate in educational activities.

24th Oct – Speaker Meeting and Bulletin Released.

Senior most member of ROCEM Rtn. K S N Prasad spoke about Rotary on 24th October 2018. Really the speech by Rtn. KSN Prasad was memorable, interesting and informative. He neither didn't gave any statistics of Rotary nor history of Rotary. He just informed how a Rotarian has to consider Rotary to its core values. Rituals and Festivals are responsibility and culture of an individual and he correlated the same to Rotary insisting Attend / Involve in Rotary as in Festival rather than in Rituals (Shraadh). On this occasion IPP Rtn. Rajesh Darira and Rtn. KSN Prasad released our Sept edition bulletin.
