

July is designated New Leadership Month - each year Rotary Clubs and Districts across the globe induct new leaders. Our leaders exemplify all of the qualities that make our members extraordinary; integrity, expertise, and commitment to service.

Rotary develops leaders by providing opportunities for all members to provide service to our local communities and communities across the globe. With that service comes a learning experience in the areas of leadership, team building, planning, marketing, communication, and organization.

Rotary brings together a global network of volunteer leaders who dedicate their time and talent to tackle the world's most pressing humanitarian challenges. Rotary connects 1.2 million members from more than 200 countries and geographical areas. Their work impacts lives at both the local and international levels.

Serving as a Club or District officer or committee member provides an opportunity to enrich your leadership skills by sharing experiences and ideas with other Rotarians throughout the region.

### COMMUNITY PROJECT :

- On July 2nd 2021 Rotary Central Mysore has donated Grocery kit to a needy named Sri Ramesh who did not have work and no income due to pandemic. The kit is worth around Rs 1400/- plus medicine worth Rs 600/- .Thanks to Rtn Soujanya Attavar for donating on behalf of ROCEM . We appreciate the kick start project and hoping to take forward the service work to the peak.
- Donated provision for an old aged man. Special thanks to Dist Secretary and our club service director Rtn vivek attavar for donating the same.

**District Project**

A very rare opportunity for members to join the environment protection project as this happens once in 35years and that day happens to be today. Handing over 3.2 crore bamboo seeds to the forest department in Bandipur tiger reserve. The range officer was Sri Maniraju on 15.07.2021. On this occasion we felicitated our DG Ravindra bhat by Dist Secretary project Rtn Ratnatraj and Dist Environment chairman Rtn Hanumanth.

**Rotary Dist. Governor launches Tree Plantation Drive in Bandipur**

Mysuru, July 26- Rtn. R. Ravindra Bhat, newly installed Governor of Rotary District 3181, along with several Clubs of Zone 7 and Zone 8, donated 200 kg of bamboo seeds to the Conservator of Forests (CF), Bandipur Tiger Reserve, on July 15 at Bandipur.

This year the native bamboo species Bambusa bambos has flowered in the Nilgiri Biosphere. Bamboo is among the fastest growing plants in the world. This species has a flowering cycle of around 40 years.

Partnering with the restoration NGO Junglescapes, Rotary Dist. 3181 procured the seeds that were given to the Forest Department.

Speaking on the occasion, the Department appreciated Rotary's concern for the forests and complimented them on providing them with good quality seeds on time.

This project is part of Rotary International's newest 7th Area of Focus, 'Supporting the Environment.'

The given quantity, 200 kg, would contain around 1.6 crore seeds. The planted seeds are expected to have good field survival rates. This augurs well for vast areas of the Tiger Reserve. This effort will go a long way in helping to fight climate change by sequestering atmospheric carbon quickly and help in mitigation of man- elephant conflicts, in tune with this year's RI theme, 'Serve to Change Lives'.

On 22.07.2021 Under community project our club sponsored 700 face masks and hand sanitizers to the journalists of Mysore city at Patrakarthara Bhavana. The gesture was received by Sri Ravikumar president and secretary Rangawswamy of Patrakarthara Sangha.
