President Speaks

Rtn Anil Padaki

Dear Friends in Rotary and my dear Fellow members...!

We live in unprecedented times. What a year all of us have seen..! Most of us have been confined to our homes and WFH(WORK FROM HOM) has now become a word that all us recognize . Meetings are now virtual and Zoom has become a house word. It is during such times that we realize the value and the true meaning of the word, "Freedom". Indeed what we have taken for granted for years,has brought us new meaning in these last one and half years. Many, indeed, most of us would have lost someone near or dear to this dreaded pandemic. At the outset I would like to pay my respects to the departed and to those brave warriors who have fought and continue to fight in these difficult times. Friends, I am indeed happy and privileged to have been elected as the President of our wonderful club, especially during its Silver Jubilee Year. It is my earnest wish and desire to continue and complete such projects that my illustrious predecessors have done,like the School Project, the literacy programs, the toilet construction projects, etc, paying special emphasis to the downtrodden. At the same time, I would like the club to concentrate on other priority matters like membership development, and other areas of focus especially the environment .Friends we all kow the motto of Rotary is Service above Self.

Outgoing President 2020-21 message

Rtn Praveen PAL M.D

I would like to thank all of the members of our wonderful club and especially the board and advisors for the support and hard work this last year. Because of you we have added new members and had great participation in our events and meetings. When I talk with new members, they join us because we are welcoming; have fun and best of all do such great things in our community and the world. The variety of good works we do makes it possible for each person to fulfil his or her personal passion and we are always striving to be the greatest Rotary Club. While I learned a great deal about Rotary and our club and value the fact you allowed me to act as your president for a year 2020-21, I am looking forward to being a past president and concentrating on some of my Rotary passions. Rtn Anil Padaki sir, thank you for taking the reins. You will do a great job and bring laurels to our club. If not for Rotary, I would never have known you and that would have been unfortunate for me in so many ways. You have been there with me this entire year. We look forward to hearing about your experiences at Rotary year 2021-22. Rotary is amazing! All the very best team2021-22.

both Rtn Praveen pal and Rtn Jyothi Ashok. We are eager to take the baton and carry on this exiting journey of bringing news to all our Rotarians. but of course this isn't a task which only a one single soldier can take care off, but we must all work together to build a bigger and happier Rotary family.
